

New AC/DC Power Supplies

MPA321

A family of compact, high performance, 320W AC/DCs.
These units feature:

- 320W Output Power
- Active PFC
- Universal AC Input
- EN60950 Approved
- Four Mechanical Options
- Only 6" x 4" x 1.5" Case

MPM-15CM

A family of chassis mount, encapsulated, 15W AC/DCs.
These units feature:

- 15W Output Power
- Universal AC Input
- Chassis Mount Case
- Single, Dual & Triple Outputs
- DIN Rail Mount Option
- EN60950 Approved!

MDR-24S

A family of very narrow, DIN rail mountable, 24W AC/DCs.
These units feature:

- 24W Output Power
- DIN Rail Mountable
- Universal Input
- Meets EN55022 "B"
- Meets UL508
- Narrow 0.88" Case

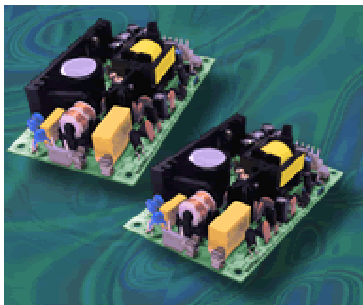

MPE-100FS

A family of low cost, safety approved, enclosed 100W AC/DCs. These units feature:

- 100W Output Power
- EN60950 Approved
- "Finger Safe" Case
- Seven Models
- Wide Temperature Operation
- **Low, Low Cost!**

MPO-45S

A family of low cost, compact open PCB, 45W AC/DCs. These units feature:

- 45W Output Power
- Universal AC Input
- Compact 5" x 3" PCB
- EN60950 Pending
- >300 kHour MTBF
- **Low, Low Cost!!**
